

City of Fayetteville – Building Safety Division

Code Updates

Revised 06/06/08

2007 Arkansas Fire Prevention Code
effective Aug. 1, 2008

2006 Arkansas State Plumbing Code
effective June 1, 2008

2006 Arkansas State Gas and Fuel Code
effective June 1, 2008

2008 National Electric Code
effective June 1, 2008

ICC is now offering the 2007 Arkansas Fire Prevention Code that consists of 3 Volumes: Fire, Building and Residential Codes based on the 2006 International Codes with State amendments.

The 2006 Arkansas Plumbing and Gas and Fuel Codes are based on the 2006 International Plumbing and Gas Codes with State Amendments.

These codes can be ordered from:

International Codes Council
1-800-877-2224
or on line at iccsafe.org

The City of Fayetteville Unified Development Ordinance adopts the Arkansas Fire Prevention Code (which includes all current State Codes) as its Building and Fire Codes. Local amendments to the AFPC are included within the UDC Building Regulations which is available on the City website accessfayetteville.org
