Neighborhood Issues

Bob Caulk – Mt. Sequoyah South

- new sidewalks on Fletcher in Rogers area
- complaints about speeding
- looking to put in traffic calming measures

Susan Jerkins - Elm/Erstan/Baker –

- all ok
- want sidewalks and they are working on that

David Stanton – Legacy Point –

- new area with growing pains

Colleen Pancake – quite

Katherine Adams –

- for sale signs up after Master Plan approved
- Highway needs 15' set back ,
- tree damage ???

Mark Kinion – Wilson Park NA

- complaint too many people in single family houses
- neighborhood picnic October 29th at Wilson Park,
- October 28th Neighborhood yard sale at homes
- Tree and landscape committee will be trimming on Mt. Sequoia soon we need to contact them call SWEPCO in advance for WARNING!!!
- AEP out of Ohio.

Sarah Lewis – Sang Valley NA –

- trying to get a stop sign at Cleveland and Sang – working with Mr. Petrie
- need neighborhood clean up
-

Jo Ann Kvamme - Root School NA –

- we are in the middle of sewer installation on Greenview,
- Don Conner is running for the City Council seat vacated by Swifty Reynolds
- we are still fighting with Ruskin Heights – too dense and not working with neighborhood

Paula Maranoni – W. Lafayette NA –

- after three years on the Master Plan at the final vote they are taken out of the Master Plan
She is resigning as of tonight – they will regroup and see where it goes
- Watson and St Charles – house will build six story building and move houses that are there example Wilson Park on Gregg go up see yellow Victorian was in Paula's neighborhood cut it in ½ and moved it

Karon Reese – Washington Willow –

- traffic committee about traffic calming work on St. Joseph's park,
- raising funds to fund the park – selling bricks for \$50.00 bench for \$1500
- Nov. 4 Block party Rebecca-Olive have fire ring and bluegrass music and food

How did you get park? The developer donated it to the city as conservation so neighbors would allow development.

Bob Caulk said the problem with small parks is they are expensive to upkeep so Park Department discourages them – need to talk to the city council

Sarah Lewis – Master Gardeners help with parks

Bob explained experience not good with neighborhood maintaining neighborhood parks

Washington/Willow park committee could come

Legacy has new park committee helping us set up park and fund and take care of the maintenance

Julie – Parks department could explain criteria for creating parks

Jim & Claire Wiseman - Woodland NA –

- meeting at Kirk's house (rebuilt after fire) next week

Yellow house in our neighborhood and house next door how large a house and two house infill across from Woodland Junior high

Woodland park has parking on Gregg

Roy Penny – Paradise Valley Townhouse Association

- on Joyce traffic is the main concern

Michael Thomas - Sunset Woods –

- took Firewise seriously and every month things have happened upon Sunset Place where fines would go up hill so they can clean up the area

Question re-qualification – When do we need to have the new membership list # of people soon

Mark Kinion – can Julie send info so we can re-qualify?

Michael Thomas – 38 Neighborhood Association, 78 reps – it is lucky to get 10 people here and three new this meeting

Mark Kinion – have to have loose group and when things affect us we all show up we need participation

Let's increase participation!

Julie 22 out of 44 neighborhoods have updated – we need to be on meeting list for the city meetings

Fall Telethon October 27th 6-9 fund raiser games, community access 101 Rock St.

Mark – December meeting

1st Thursday in December – December 7th Holiday party 5:30 bring food to share

Possibilities for December

AEP/SWEPCO and Dog park

E. Fields for abandoned houses

Animal control as speaker

Committee in Washington/Willow on dog control rules

Paula – they sent an e-mail of pet to get lost pets home
