

Together We Will Make A Difference

Facilitating Neighborhood Action

2008 Fayetteville Council of Neighborhoods Year at a Glance

Goal: To give representatives in Fayetteville's neighborhoods the tools necessary to take action on activities that affect their neighborhoods.

Immanent Issues: The following agenda items will take place each meeting in addition to other topics of interest.

Neighborhood Updates: *Please be brief. If you have concerns that go beyond the scope of what this group can do to help, please see Julie McQuade and/or Sarah Lewis to get further assistance with the next steps you can take to help with your neighborhood's concerns.*

It is important that each of us feels that we have the power to make a difference!
