

## Transportation Division

1525 S. Happy Hollow Road

Fayetteville, Arkansas 72701

Phone (479) 575-8228

---

January 6, 2011

Dear Resident,

Morningside Drive has been selected to receive a sidewalk along the west side from Huntsville Road to Fifteenth Street.

Improvements to the section from Fairlane Street to Fifteenth Street are made possible by Federal Transit funds from the Arkansas Highway and Transportation Department to implement New Freedom projects. New Freedom funds are not part of the federal stimulus program. Improvements to the section from Huntsville Road to Fairlane Street are funded by the City of Fayetteville Capital Improvement Program.

Improvements will consist of installing new sidewalk, storm drainage pipe, inlet boxes and curbing along the west side of the street. Construction will also require removal and replacement of a portion of your driveway approach.

Your driveway approach will be modified to allow the sidewalk to be constructed to current ADA requirements. Existing approaches will be removed and gravel placed temporary to allow continued use of your drive until the fresh concrete is poured. After the new concrete has been poured, you will be unable to use the driveway approach to your residence for approximately two (2) days. This will allow the concrete to cure and gain the necessary strength to support traffic loads. (The crew foreman will work with each resident on the exact schedule.) Lawn areas disrupted by construction will be repaired with new topsoil, seed, and straw.

**Please note: If you have flowers, shrubs, sprinkler systems or other items which will need to be moved or protected within the work area please notify the crew foreman or call the Transportation Division office to make arrangements.**

Work will begin in mid January and continue through April 2011. Scheduled work hours will be 7:00 a.m. until approximately 3:00 p.m. each day. Construction will require closing the street to through traffic during the work hours. However, residents will be allowed access.

We regret the inconvenience this may cause, however this will allow needed improvements to be made.

If you have any further questions or comments, please feel free to contact Keith Shreve or Ricky Vaughan at the City of Fayetteville Transportation Division office at 575-8228. Office hours are 7:30 a. m. until 4:30 p. m.

Thank you for your cooperation.
